CRAFTSMAN ELEVATION

The Davenport has all the curb appeal you could ask for, and wait until you see what's inside. With 5 bedrooms, 3.5 baths, and a 2-car garage, this two-story beauty was built for the way families actually live. The main floor flows from a welcoming foyer into a spacious Family Room that connects right to the Kitchen and Dining area, making entertaining a breeze. Need a home office, playroom, or guest space? The Flex Room on the main level has you covered. The first floor Master Suite is a true retreat, complete with a private bath and walk-in closet, so you never have to share your space. Head upstairs and you'll find four more generously sized bedrooms, a massive Activity Room perfect for movie nights or homework time, and a convenient Laundry Room right where you need it.
