The Henderson makes a statement from the moment you pull up. This charming barndominium-style home delivers big personality without the big footprint. The open-concept Great Room flows seamlessly into a generous Kitchen, making it the perfect hub for gathering, cooking, and creating memories. With a Primary Suite tucked privately on one side and two additional bedrooms on the other, everyone gets their own space to unwind. The Primary comes complete with a walk-in closet and private bath, your own retreat after a long day. A convenient laundry area, extra storage, and a welcoming front porch round out everything you need. Country living done right.
